

Espere Haiti- Have hope Haiti

As the people of Haiti begin to assess the damage to their city, families and lives, their suffering is tremendous. We at Archbishop Murphy want to tell them that their hope is not futile. Beginning January 16, AMHS has already raised over \$2,000 to donate, and our fundraising efforts for Haiti continue through February 5.

Headed up by the French Club and Campus Ministry, fundraising efforts will continue with the sale of crepes in the cafeteria during lunch, as well as bracelet sales.

Special Thanks to everyone for your generosity and support.

Espere Haiti. Have hope!
