Picking Up your Order

Students or parents may pick up orders on Thursday of order week at the Heath Hall Student Services Office.

Family Commitment

NOTE: There is a change from previous year's fundraising obligations. Each family will contribute \$400 through the Auction and/or SCRIP Program. Families will be credited for the actual commission generated from their SCRIP purchases (listed on the online SCRIP order form). Find out how much your family has contributed at www.amhsscrip.org, sign in and click "Obligations." Please remember that ever \$1 over your obligations helps AMHS! SCRIP Sales begin June 1, 2009 and run through **May 10, 2010 (April 26)** for graduating families). We trust that this change will allow families more flexibility in meeting the fundraising goals.

What is SCRIP?

SCRIP is simply a gift card fundraiser! You purchase gift cards through the SCRIP program at full value. AMHS purchases the gift cards at a discount. AMHS SCRIP profits the difference. SCRIP is available for purchase online from your home. Payment and gift card pick up is at the Student Services office. Visit <http://www.archbishopmurphyhs.org/scrip.htm> to learn more about SCRIP today. *SCRIP + You = Success!* Getting started is often the hardest step! Just review your shopping habits to find the places you shop the most often. Before you shop... buy SCRIP. With just over 9 months of SCRIP order dates this year, your family can raise over \$400 for Archbishop Murphy High School just by shopping with SCRIP.

Tips

Purchase SCRIP gift cards for Christmas shopping or for gifts and it is even easier to meet Your Family SCRIP Commitment! Occasionally, there are opportunities to gift to our Campus Ministry efforts through the SCRIP program.
